PERSONAL BACKGROUND

I've always enjoyed problem-solving, helping, and teaching people. As a former social worker, an agile approach to problem-solving is second nature to me. Software development provides me with the opportunity to combine my love of problem-solving with my passion for helping others to create far reaching solutions using modern JavaScript frameworks and libraries. I can't wait to grow these skills and build solutions that allow me to affect change on a larger scale.

SKILLS

Frameworks & Languages

- React
- Redux
- jQuery
- HTML / CSS
- SASS
- React Testing Library
- Jest
- Mocha / Chai
- Cypress

Systems & Practices

- Git / Version Control
- OOP
- Test Driven Development

ACADEMIC BACKGROUND

Turing School of Software & Design
Frontend Engineering Software
Development

Turing students invest over 1500 hours across seven months in becoming job-ready frontend software developers.

PROJECTS

Gift of Gab

Gift of Gab was created to be an affordable, smaller, alternative to a Dynavox designed to work on your phone or tablet. It was created to assist individuals who are unable to communicate reliably with their own voices due to cognitive, language and physical impairments.

Tech: React/Hooks, Cypress, Redux, CSS, React Router

Artistry

Is an application that allows the user to explore different artists without any previous knowledge of art.

Tech: React/Hooks, CSS, React Router, React Testing Library, Jest

Nine2 Five

Is an application designed for custodial workers with developmental disabilities to schedule jobs. It displays the users daily schedule and give them the opportunity to leave feedback once the job is complete.

Tech: React/Hooks. React Testing Library, React Router, CSS

EXPERIENCE

SHIFT SUPERVISOR

North Metro Community Services
01/2018 to 12/2019

- Supervised 25+ employees who perform janitorial contract work at Buckley Air Force Base
- Coordinated janitorial Staff, Facility Managers, and Shift Supervisors to insure that all daily work is completed

VOCATIONAL TRAINER

North Metro Community Services
01/2016 to 12/2017

- Supervised and trained individuals with developmental disabilities in order to increase job skills.
- Accurately maintained timesheets and tracked job performance to assure compliance with state requirements.
