OBJECTIVE

★ Write clean, empathetic, and inclusive code that creates a positive, macro-level change in society

SUMMARY

- ▶ International volunteer, racial justice fellow, and Trader Joe's crew turned software engineer
- ▶ 1200+ hours training on frontend development including JavaScript, React, CSS, and more
- ▶ Experience with paired programming, solo coding, remote work, and test driven development

SKILLS

- ▶ *Languages* — JavaScript, CSS, HTML
- ▶ *Frameworks* — React, Vue
- ▶ *Tools* — Git, Redux, Progressive Web Apps
- ▶ *Testing* — Cypress, Mocha / Chai, Test-Driven Development
- ▶ *Non-Technical* — Agile Workflow, Pair Programming, Remote Collaboration
- ▶ *Currently Learning* — Node.js, SQL

PROJECTS

BlockBreaker — github.com/colefiscus/blockbreaker — Site: block--breaker.herokuapp.com/

- ▶ Showcases details on latest movies
- ▶ Solo project — built with React featuring CSS focus

BookClub — github.com/colefiscus/bookclub — Site: bookclubbuddy.herokuapp.com/

- ▶ Helps bookclubs collaboratively decide on next book
- ▶ Solo project — uses React and Fetch API

Garden Party — github.com/veg-share/frontend-ui — Site: gardenparty.vercel.app/

- ▶ Allows gardeners to share surplus vegetables
- ▶ Group project — Progressive Web App built with React Hooks and GraphQL

Vueniverse — github.com/colefiscus/vueniverse — Site: thevueniverse.vercel.app/

- ▶ Lets users experience NASA's picture of the day
- ▶ Group project — single page Vue application with Cypress testing suite

EDUCATION

Turing School of Software & Design — *Frontend Web Development* **2020 - 2021**

- ▶ 7-month [curriculum](#); 1500+ hours training; individual and collaborative programming

Gonzaga University — *Bachelor of Arts; Sports Management* **2011 - 2016**

EXPERIENCE

Trader Joe's — *Crew Member* **2019 - 2020**

- ▶ Gained customer service and communication skills; 100+ daily customer interactions
- ▶ Assisted implementing Covid precautions for safe customer shopping experience

Life Together — *Care Navigator* **2018 - 2019**

- ▶ Navigated local resources and managed caseload for 150+ recent immigrants
- ▶ Participated in over 50 hours of racial justice programming on allyship and inclusion

Rostro de Cristo — *International Volunteer* **2016 - 2017**

- ▶ Quickly learned new language starting at zero through immersion and self-education
- ▶ Co-managed 15 ten-day retreats of 12+ people including planning, budgeting, and reflection
