

DAVID SCHLUNDT-BODIEN

Full stack Developer

Personal Profile

Full stack developer with a constant hunger for learning new tech, collaboration and solving problems. I utilize skills from my military background and time spent in the beer industry to better myself in troubleshooting, teamwork and customer empathy as I grow in the tech industry.

Technical Skills

- React JS
 - React Native
- Vanilla JS
 - ES5/ES6
- HTML/CSS
 - SASS
- Ruby on Rails
- Swift
- TDD/ Acceptance Testing
 - Mocha/Chai
 - Cypress
 - Lighthouse
- Git/ Github
- SQL (Postgres)
