

JOHN WATTERSON

5571 1/2 W 27th Ave., Wheat Ridge, CO 80214, 303 910-3569, JOHN@BREAKTHREWBREW.COM

PROFESSIONAL SUMMARY

Creative and collaborative Front End Software Engineer with experience using design to address a wide range of needs. Masterful at incorporating client and team feedback and using complex technical processes to create award-winning designs, from international medal-winning IPA recipes to packaging used nation-wide to applications that teach others. Brings others into the action by teaching how to use processes and by seeking feedback from diverse stakeholders on the goals and execution of projects.

SKILLS

- UI / UX Design
- JavaScript ES5 / ES6
- React
- TDD
- OOP
- Mobile First Design
- Graphic Design
- Collaboration
