

BECCA STEINBRECHER

SOFTWARE ENGINEER

SUMMARY

With a background in the non-profit and healthcare sectors, I carry the drive to leave a positive impact and clear team communications into Tech. I ship quality, polished code that is delivered on sleek, intuitive user interfaces. I'm looking to join an innovative, synergetic team.

PROJECTS

Fresh Tomatoes (Paired Project) | [GitHub Repo](#) | [Live Site](#)
A React/Router/Node/Express stack application, giving a platform to rate and comment on movies.

Spirited Quarantini (Group Project) | [GitHub Repo](#) | [Live Site](#)
A React/Hooks/TypeScript application that shows users how to make cocktails from the comfort of their home.

Lono (Group Project) | [GitHub Repo](#) | [Live Site](#)
A React/Hooks/TypeScript/PWA birth control application. An app that tracks temperature and ovulation cycle as a means of natural birth control.

Food Diary (Solo Project) | [GitHub Repo](#)
A React/Router/Node application, allows users to track their food along with symptoms to create the optimal diet (for athletic performance or digestive concerns).

EXPERIENCE

STEINBRECHER DEVELOPMENT

Software Engineer (contract) | 09/2020 - present

- Apart of a 5 person developer team, working under guidance of senior developer.
- Using Ember, Vue, and React to create, update and manage features for multiple contracted partner products.

TURING SCHOOL OF SOFTWARE & DESIGN

Software Developer | 02/2020 - 09/2020

- Seven month intensive coding school focused on frontend development.
- Built complex projects in JavaScript, React, Express/node.js, and more.
- Solidified Object Oriented Programming with a Test Driven Development approach.
- Practiced an agile workflow for software development.

LEAVE NO TRACE - CENTER FOR OUTDOOR ETHICS

Store Manager | 01/2017 - 12/2017

- Managed financial tracking, inventory coordination and social media marketing for the organization's online store.
- Responded to customer issues and resolved complaints by leveraging expert outdoor industry knowledge.
- Completed up to 400 sales and shipments alone every week.

OUTDOOR OUTREACH

Senior Field Instructor & Admin Assistant | 05/2015 - 12/2016

- Provided logistical support for programs and events (trip reservations, agenda preparation and volunteer calendar coordination).
- Database entry for end of year reports and grant applications.
- Initiated legislature change prompting the Mayor of San Diego to create a free bus line for the youth of inner cities to easily access the outdoor spaces of the city.
