

SUMMARY

I am a fast and efficient learner who approaches technical challenges with persistence and determination. With my experience in journalism and digital marketing, I have a proven track record of delivering under deadline pressure and providing valuable technical guidance to clients.

SKILLS

JavaScript ES5 & ES6 • React • Router • TypeScript • HTML5 • CSS3 • Sass • Mocha & Chai • Cypress • Git • GitHub • npm • Node.js • Express.js • Webpack • RESTful API • OOP • TDD • UX/UI • Salesforce • Heroku • PostgreSQL

PROJECTS

Bard Buddy • [GitHub](#) • [Heroku](#)

- Built a full-stack web application that organizes and displays the complete works of William Shakespeare, allowing users to select and save passages from plays and poems line-by-line.
- Built and deployed an accompanying backend using a SQL database and Express.
- JavaScript, React, Router, Node.js, Express, PostgreSQL, Cypress

metAPI • [GitHub](#) • [Heroku](#)

- Collaborated on a React application that allows developers to search through a database of public APIs based on categories such as Authorization, CORS etc.
- With no prior experience, quickly gained proficiency in TypeScript and incorporating it into the React framework.
- TypeScript, React, Router, Cypress, Webpack, Node.js, API

Rancid Tomatillos • [GitHub](#)

- React application that allows users to view information on recent movies including video trailers and audience ratings.
 - Designed to mimic the UI of Hulu and other popular streaming services.
 - JavaScript, React, Router, Cypress, API
-

EXPERIENCE

Account Associate - Accenture Flex | Snapchat

Denver, CO (Jun. 2019 - Nov. 2020)

- Onboarded and scaled dozens of SMBs and marketing agencies to Snapchat's advertising platform.
- Was the highest-activating agent during my first quarter.
- Helped the team achieve consistent, record-breaking QOQ revenue growth as high as 80%.
- Provided clients with valuable technical guidance on strategic digital marketing and campaign optimization.

Digital Producer | Multimedia Journalist - KTUU Channel 2 News

Anchorage, AK (Aug. 2015 - Aug. 2018)

- Rapidly gained proficiency with the organization's CMS to ensure a constant stream of fresh digital content.
 - Researched, curated and delivered daily multimedia news stories on live television for Alaska's leading news team.
 - Thrived under constant deadline pressure to deliver accurate, quality web copy and broadcast scripts.
-

EDUCATION

Turing School of Software and Design - Denver, CO

Diploma in Front-End Engineering (Jun. 2021)

- 7-month full-time program for frontend software development at the only ACCET accredited program in the US

Wittenberg University - Springfield, OH

Bachelor of Arts, English and Psychology
