Agile

EDUCATION

Turing School of Software &
Design - Backend Engineering
Software Development

University of Colorado - BA in
Geography/Environmental Studies

PROFILE

- Searching for meaningful work as a developer, that will provide opportunities to work on creative, and thoughtful projects for a company with an inclusive culture. Technical growth is a priority, but human connection is priceless. Continued learning is my motivation.

RECENT PROJECTS

SELECTOR

https://github.com/selector-turing/back_end

- Turing July Demo Comp - 1st place award winner.
- 6 person project with Front and Back end teams. It is a third party app that connects Discogs API, and Spotify API to create a seamless browsing, listening and purchasing experience.
- Ruby, Rails, Heroku, RSpec, TravisCI, Simplecov, GraphQL, HTML/CSS, TDD, Postman, PostgreSQL

YARDSOURCING

<https://github.com/Yardsourcing>

- This was a 10 day Agile Sprint with a team of 7. It is Full Stack with an e-mail micro-service. Essentially an Airbnb for yards.
- Google API Omniauth, Rails, JavaScript, Bootstrap, Sinatra, TDD, RSpec, TravisCI, JQuery, Webmock, and more

SWEATER WEATHER

https://github.com/jordanbeck0528/sweater_weather

- I was given 5 days to expose 5 endpoints, and consume 4 APIs. This is the Final Project for Turing School's Mod 3.
- Ruby on Rails, ActiveRecord, VCR, Capybara, RSpec, Postman, PostgreSQL, Figaro, TravisCI, TDD, and more.

EXPERIENCE

BACKEND ENGINEERING SOFTWARE DEVELOPMENT

Turing School of Software & Design | 2020-2021

- Student Leadership Committee

BARTENDER/SOMMELIER/TRAINER

The Kitchen Denver | 2016-2021

- Hospitality, and Service focused, high-level dining at Kimbal Musk's top restaurant. Human Encyclopedia of Food, and Beverage.

DRIVER/LIDAR ANALYST

Google/Google[x] | 2012-2014

- Hired as driver for autonomous vehicle development on Google [x] team, promoted to LIDAR Analyst role after 9 months.

AWARDS

INTERNATIONAL HONORS SOCIETY OF GEOGRAPHERS

- Gamma Theta Upsilon

UNIVERSITY OF COLORADO

- Summa Cum Laude/Dean's List

COURT OF MASTER SOMMELIERS

- Level One
